

## Sarah Gadon - Sabina Spielrein

Sarah Gadon is an extremely talented up and coming Canadian actress. Sarah has appeared in several television movies including *Cadet Kelly* and *The Other Me*. It was for her role in *The Other Me* that Sarah was nominated for Best Ensemble Cast at the Young Artists Awards in 2001. She has also guest starred on the TV shows *In A Heartbeat*, *Are You Afraid Of The Dark*, and the award winning *Nikita* and *Twice in a Lifetime*.

Sarah's feature film work includes the comedy drama *Fast Food High* in 2003, and *Siblings* in 2004, which was screened at the recent Toronto International Film Festival. *Siblings* is a smart, subversive dark comedy, and was praised for its sharp dialogue and richly varied characters. It is a film about family and growing pains, love, lust and a few hard-learned lessons – and about kids who may or may not have killed their monstrous parents.
